It is not necessary, however, to say the same about the "recovery" in 1976. Because of the high and low inflation, the 1976 recovery was not a true recovery. It was a recovery in the sense that the economy was growing, but it was not a recovery in the sense that the economy was returning to its long-run growth path.

The *mycobacterium* strains were grown in 10 ml of culture medium in 15-ml Erlenmeyer flasks at 37°C for 72 h. The cells were harvested by centrifugation at 10,000 g for 10 min and washed with distilled water. The cells were then resuspended in 1 ml of distilled water and the concentration was determined by optical density.

To further insure the SE will still be available for emergency use at all times, the SE will be used for training purposes only. The SE will be used for training purposes only.

What do Foreign Farms do? Most of them produce food for a Foreign Farmhouse, the MFL and AEF. A. T. Williams has emphasized an average village has something from 100 to 150 people. It has a school, a dispensary and sometimes a church. It has a few people who are educated and a few who are not. It has a few people who are rich and a few who are poor. It has a few people who are healthy and a few who are sick. It has a few people who are happy and a few who are sad. It has a few people who are good and a few who are bad. It has a few people who are wise and a few who are foolish. It has a few people who are brave and a few who are cowardly. It has a few people who are kind and a few who are cruel. It has a few people who are honest and a few who are dishonest. It has a few people who are loyal and a few who are traitorous. It has a few people who are patriotic and a few who are unpatriotic. It has a few people who are religious and a few who are irreligious. It has a few people who are moral and a few who are immoral. It has a few people who are virtuous and a few who are vicious. It has a few people who are noble and a few who are ignoble. It has a few people who are brave and a few who are cowardly. It has a few people who are kind and a few who are cruel. It has a few people who are honest and a few who are dishonest. It has a few people who are loyal and a few who are traitorous. It has a few people who are patriotic and a few who are unpatriotic. It has a few people who are religious and a few who are irreligious. It has a few people who are moral and a few who are immoral. It has a few people who are virtuous and a few who are vicious. It has a few people who are noble and a few who are ignoble.

To also easily distinguish the ERM and the non-ERM, the data are ordered: ERM first and non-ERM last. The regression results are shown in Table 1. The ERM and non-ERM are distinguished by the variable *ERM*, which equals 1 if the country is a member of the ERM and 0 otherwise.

Ανακοίνωση της ΑΝΤΑΡΣΥΑ

Η ΑΝΤΑΡΣΙΑ τιμά τη μνήμη της **Σωτηρίας Βασιλακοπούλου**, της φοιτήτριας Παντείου και μέλους της ΚΝΕ που έχασε τη ζωή της από τον εργοδοτικό τραμπούκο Μάριο Χαρίτο ενώ μοίραζε προκηρύξεις υπέρ του αγώνα των εργατών της **ΕΤΜΑ στις 28/7/1980**.

Ηθικά υπεύθυνη η εργοδοσία της ΕΤΜΑ που ήθελε πάση θυσία, ακόμα και αν αυτό σήμαινε ανθρώπινη ζωή, να μη μοιραστούν προκηρύξεις στους εργάτες.

Ο εργατικός αγώνας ήταν που βρέθηκε στο στόχαστρο γι' αυτό και έκαναν πλάτες στην εργοδοσία, η αστυνομία, ο δικαστικός και κρατικός μηχανισμός, τα κατεστημένα ΜΜΕ.

Καμιά θυσία για το δίκιο των εργαζόμενων και μια καλύτερη ζωή δεν πάει χαμένη, όσο δεν

Ξεχνάμε, όσο ο αγώνας συνεχίζεται.

Σήμερα, στη σκληρή εποχή για τον κόσμο της δουλειάς και ειδικά για τη νέα γενιά των εργαζομένων, η Σωτηρία Βασιλακοπούλου είναι παράδειγμα και έμπνευση στην πάλη για δικαιώματα και ελευθερίες, για μια κοινωνία χωρίς εκμετάλλευση και πόλεμο.
